Dear Parents and Carers,

The PTA team would like to send their thanks for all your help and support this year.

Since September we have managed to reform and grow our committee and had the privilege to work with many of you during the events and activities we have organised.

I have included a summary of our activities during 2022-2023. I'm sure you will agree that, with your help, we have continued to enrich our Childrens' school experience his year.

We wish you all a happy and fun summer and hope will be able to join us for some of our activities next year- the PTA is already making plans!

Best wishes,

Jenny Waters
