Autumn 1 Week 1

Welcome back

We have had a super start to the new school year and are thrilled with the way the children have settled into their new classrooms and are enjoying getting to know their new teachers and year group staff.

Thank you for your support in preparing the children for their return to school– they all look very smart in their uniforms!

We are looking forward to the year ahead and all of the learning, activities and school events we will enjoy.

Allotment News

We would like to say a huge thank you to all parents and members of our community who helped us to raise funds for the learning shelter at our allotment. Over the holidays the fabulous shelter was installed.

We are delighted that this will give us additional capacity at the allotment for lessons, clubs and events. We are planning an official opening in October – more news coming soon!

Community Kitchen

Thanks to a grant from a local, charity, the PTA and a donor we were able to build a community kitchen at school over the summer. This will enable us to deliver food technology lessons; cooking clubs and community workshop sessions. We are planning opportunities for parents to view this new classroom over the coming weeks.

International School Award

We are delighted to inform you that we have been awarded the highest level International School Award by the British Council for our commitment to international education. Our work linked to Turing visits to France and Spain were very highly commended. Assessors were also impressed with the range of initiatives across the school including International Christmas concerts, Japanese clubs, Mandarin clubs and links with other schools.

Letters sent out this week

Parent survey update

Parent information Sept 2025

Year 5 and year 6 Spencer Park Active Lunches Parent Letter 2025

Class visit parent letter 5W

Class visit parent letter 5TK class

Collection from After School Club

We would like to remind parents who use our Out of School Club to ensure that they have communicated their password to all of the adults who will be collecting their children from After School Club.

To ensure the safe collection of all of the children, staff will continue to ask adults for their password if they do not recognise them.

Welcome meetings

You should have received an invitation to the online class welcome meetings that will take place over the next two weeks. We have changed the format slightly so that you receive the PowerPoint in advance. It would be very helpful if you could take a quick look at this so there will be more time for questions during the sessions.

Morning and afternoon routines

Thank you for supporting our routines at the beginning and end of the school day: the school gate will open at 8.40am and close at 8.55am promptly. The children will be lined up on the playground at 3.15pm for collection.

We appreciate that the school site becomes very busy at the beginning and end of the day and would like to thank parents for continuing to use the well established one way system around the school building, across the playground to exit via the car park gate. Thank you for your ongoing support.
