

Dear Parents and Carers,

We are very pleased that our school community is made up of families with a wide range of traditions, cultures and experiences. We would love to share some of these with the children during an assembly, to help them develop an understanding of both the similarities and the differences in people's lives across our school and around the world.

If your family has marked a special occasion or taken part in any meaningful traditions or activities recently—such as spending time together, attending community events, cultural celebrations, or other family customs—we would be delighted if parents could email a photo or a brief description to Mrs Andrews via the admin team. These will help us share and celebrate the richness of our community with the children.

If any children or family members would like to come into school to talk about their celebrations, that would be even more wonderful. Please contact admin@earlsdon.coventry.sch.uk

Kind regards,

Mrs Andrews
