Welcome back!

We are delighted to welcome everyone back to school and we hope that you have had an enjoyable summer. It was lovely to see many families at our allotment in the holiday and we are grateful for all the help. Every class will continue to visit the allotment at least once per term and we always appreciate extra adult support.

As you will see, our new website has been launched and we will be busy updating it over the coming weeks. Hopefully this will be a helpful source of information for you, including news, diary dates and information about events.

We have had a very positive start to our new after school provision – The Hive. Children have told us that “It’s amazing!” and “I want to come every day”. We apologise for any issues with booking places on the Gateway. Please contact the office if you need any help booking places.

Welcome to the Class

Next week we will be running our online “Welcome to the Class” sessions where you can meet your child’s teacher and find out useful information such as routines, homework, upcoming trips etc. Please look out for an email with log in details.
